Brief Discussion with the President - 9:30 a.m. - 17 October 1962

Confirmed the situation and explored possible actions. McCone referred to but did not recommend warnings as outlined in paragraph 7. (This paragraph was not discussed in the earlier meeting in Ball's office).

President seemed inclined to act promptly if at all, without warning, targetting on MRBM's and possibly airfields. Stated Congressional Resolution gave him all authority he needed and this was confirmed by Bundy, and therefore seemed inclined to act.

President asked McCone to see Eisenhower promptly.
